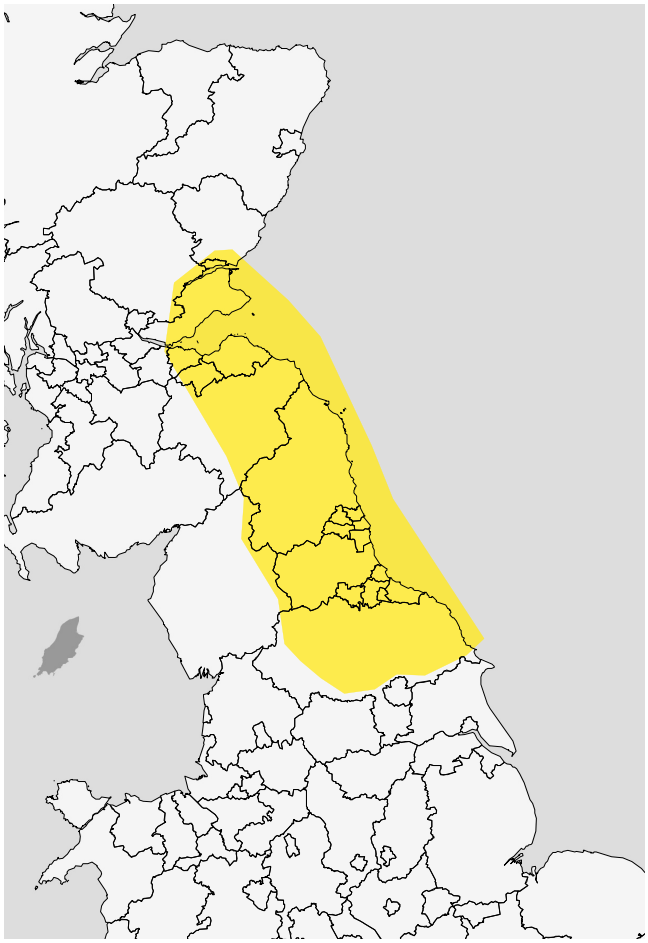
Yellow warning
Wind

Between
06:00 Wed 23 Feb 2022 and
18:00 Wed 23 Feb 2022



Strong winds are expected for time on Wednesday

What to expect

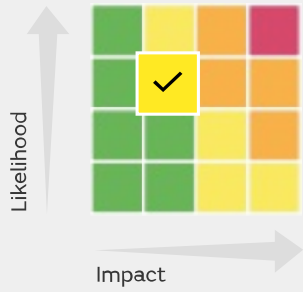
- Delays for high-sided vehicles on exposed routes and bridges likely
- Some delays to road, rail, air and ferry transport are likely
- Probably some bus and train services affected, with some journeys taking longer
- Some short term loss of power and other services is possible

Further details

Winds over parts of SE Scotland and NE England will increase Wednesday with gusts of 40 to 50mph expected widely, and very locally as high as 60 mph. This is likely to lead to some travel disruption before winds ease from the north during the afternoon.

Reason for update

Warning area has been extended north and south slightly to include more of SE Scotland and NE England. The end time has also been delayed until 18Z Wednesday.



Medium likelihood of low impacts
